ALL EVENTS OVERVIEW MAP

GENERAL

All USAC Regulations apply. Specific regulations follow.

ELIGIBILITY

Juniors

Junior championships are open only to riders with racing ages in the specified ranges and who are USA citizens or permanent residents as shown on their licenses. Only USA Citizens may compete in National Championships that are exclusively for the ages of 17 and 18.

Junior Men aged 15-16 and 17-18 are restricted to road category 1-3 for the Individual Road Races and Criteriums.

Under 23

Under 23 Championships are open only to riders with the racing age of 19 to 22 who are USA citizens as shown on their licenses. U23 riders on a UCI ProTour team are not eligible to enter U23 events.

Category restrictions:

U23 men Cat 1-2 road and criterium.
U23 women Cat 1-2 road, Cat 1-3 criterium.

Elite

Elite National Championships are open only to riders with a racing age of 17 or higher who are USA citizens as shown on their licenses, subject to the following category restrictions:

For the Road Races, the Elite Men are restricted to road category 1, and the Elite Women are restricted to road category 1-2.

Riders who are on a UCI men's road team are not eligible to enter the Elite events.

REGISTRATION

On-line registration is preferred, and will save you extra fees. Registration is available through <http://www.usacycling.org/events/2010/JrU23EliteRoadNats/>

Standard On-line registration opens Tuesday, April 20th at 11 AM EDT and closes Tuesday, June 1st at 11:59 PM EDT. Late online registration is subject to a \$25 surcharge for U23 and Elites, a \$10 surcharge for Juniors. It opens on Wednesday, June 2st at 12:00 AM EDT and closes Tuesday, June 15th at 11:59 PM EDT. Late in-person registration is available at the packet pick-up area up to the evening before each event, *assuming the field maximum sizes have not been met*. Late in-person registration is subject to a surcharge equal to the original entry fee. **There is no day-of registration for ANY of the events.**

Field maximums are as follows:

Road Races:

M/W16 and under: 125
M/W 17 and older: 200
Paracycling: 100.

Criterium:

M/W16 and under: 125
M/W 17 and over: 150
Paracycling: 75

Time Trial: Unlimited.

PACKET PICK-UP

Athletes who have pre-registered may pick up their packets at race headquarters between **7PM – 9PM** any of the evenings before their event at no extra charge.

Location: Old Mill District 450 SW Powerhouse Dr., Bend, OR, 97702 above the Helly-Hanson store

Day-of race packet pickup and replacement numbers are available for one hour only the morning of each event (see schedule). An additional \$20 charge will be assessed.

You may designate a coach, friend or teammate to pick up your number packet for you during evening hours provided your designated person has the following in his or her possession:

- A signed letter requesting your numbers be picked up
- A signed and completed 2010 USAC Release Waiver (Juniors must also have parent's signature)
- Your signed 2010 USAC racing license
- For riders 17 and older, a copy of your US passport or birth certificate if you have a domestic (not-international) license that says "limited"
- Designated person must have ID

EQUIPMENT AND GEAR

RESTRICTIONS

Equipment: All bicycles used in National Championships (for age 17 and older riders) must comply with the current UCI regulations. For a guide to UCI bike measurements, see <https://www.usacycling.org/forms/officials/BikeMeasureForCommissaires101.pdf>

Radios: Riders may not use radios, telephones, or other such communication devices. No earpieces may be worn. Audio playback devices are expressly forbidden.

Helmets: All bicycling helmets used must be **CPSC approved** and bear the CPSC sticker.

Junior Gears. Blocked gears are not allowed for National Championships. All tests for compliance shall be done using

the "roll-out method." The limit for all junior ages is a development of 7.93 meters (26 feet), which roughly translates to a 52X14. **Junior riders participating in Elite events must use junior gearing.**

GENERAL REGULATIONS

Parking is extremely limited at some race venues. Please respect the **No Parking** signs and follow the instructions of the parking marshals.

Feeding is only permitted during the road race. Athletes should ensure they carry sufficient beverages for the criterium and time trial.

The current UCI schedule of fines and penalties [UCI article 12.1.040 "other events"] will be used.

NEUTRAL SUPPORT

Neutral support will be provided by Shimano.

However, riders may provide their own wheels to the pit locations specified or to the neutral service vehicles. Locations are specified on the maps for each discipline.

RESULTS

Results will be posted near the finish line, at the race headquarters, and at the host hotel lobby on a daily basis. The protest period concerning results is 15 minutes after posting, after which time they become FINAL. Protests concerning the order of finish are to be lodged with the Chief Judge. Final results will be posted to the USA Cycling web site.

ANTI-DOPING

USA Cycling has a zero-tolerance policy for doping in our sport. The testing protocol will be that of the United States

Anti-Doping Agency (USADA). For the official and most updated list of the “prohibited classes of substances and prohibited methods,” please refer to www.usantidoping.org .

AWARDS

Awards shall consist of a first place jersey and medals to five places. The U23 women will race with the Elite Women in the Road Race and TT. The best U23 rider in the Elite Women events will receive a National Championship jersey and a gold medal. No other medals will be awarded from the combined Womens races.

Showering facilities will be available at some events, as specified. Awards ceremonies will take place according to the prescribed times listed in the schedule of events. The top five places in each competition must present themselves to the awards podium five minutes before the scheduled presentation time. Suitable cycling attire (jersey, shorts, and shoes) must be worn to the awards ceremony.

MEDIA

Medal winners and new National Champions may be asked to participate in interviews and press conferences immediately following the podium awards presentations. We ask athletes to be open to granting interviews with the media at a convenient time. The media relations contact for the championships is:

Blue:	M/W: C3	M: H1
Black:	M/W: H4, C2, T1	
Yellow:	M/W C1	W: H1

Paracycling equipment is to conform to UCI Paracycling regulations.

REGISTRATION

On-line registration is preferred, and will save you extra fees. On-line registration <http://www.usacycling.org/events/2010/JrU23EliteRoadNats/> opens on Tuesday, April 20th at 11:00 AM EDT and closes on Tuesday, June 15th at 11:59 PM EDT. Late online registration begins on Tuesday, June 1st at 11:59 PM EDT. Late online registration is subject to a \$25 surcharge.

Late registration is available in person on-site at packet pick-up up to the evening before each event. Late in-person registration is subject to a surcharge equal to the original entry fee. There is no day-of registration available for any event.

PACKET PICK-UP

Riders who have pre-registered may pick up their packets at race headquarters between **7PM – 9PM** the evening before their event at no extra charge. Replacement numbers and day-of packet pickup are available before the start of each day's event. A \$20 late fee applies.

EVENTS & AWARDS

Road Race: for

Men: C1-3, C4-5, H1-2, H3-4, T1-2, BVI

Women: C1-3, C4-5, H1-4, T1-2, BVI

See Road Race section for more details.

Time Trial: World Championship Selection race. Medals for Men and Women in the following two combined classes: C1-5/BVI, H1-4/T1-2. Paralympic National Standards will be used for factoring. Selection procedures and factoring standards can be found at <http://www.usparalympics.org/content/index/595>.

Criterium: Only Bicycle classes, M/W combined field. Awards will be separated by gender. A minimum of 10 participants is required to hold the event.

Medals: If 5 or fewer participants in a medal class, there is one less medal awarded than the number of participants in the class. Criterium: Classes with 8 or more in a single gender will receive separate awards.

Road Races: June 22, 26, 27

NUMBERS:

Two body numbers and one frame number

SIGN-IN:

NEW FOR 2010: Sign-in is mandatory for all categories. It will open one hour before each event and closes 10 minutes before the race Start. Look for the sign-in table/tent.

JUNIOR EQUIPMENT CHECKS:

Juniors are to report to roll-out directly after signing in.

Immediately following each Junior event, all participants are required to report immediately to the holding corral for bike check.

CALL-UPS:

The top 8 riders from last year's championship event, if present, will be called to the start line first. Athletes who were in the top 8 from the last year's championship but have moved up an age category (e.g., 17-18 into U23) will be called second. No other athletes will receive a call-up. No Paracycling athletes will be called up.

FEED ZONE:

Please see feed zone locations on the maps provided. Feeding is permitted only

on the right side of the road for all categories except Paracycling, where it will be permitted on either side of the road as designated.

TEAM SUPPORT VEHICLES

Team support vehicles will be permitted to follow in the Elite M/W and U23 Men road races with the following requirements:

- Vehicle height is restricted to 1.6 meters
- Driver must hold current and valid USAC license and driver's license.
- Vehicle must be able to provide wheel support for riders
- Vehicle must be providing support for at least 3 members of a single team
- Driver must attend the caravan driver's meeting at 10:00 AM Friday 25th in the Packet Pick-up room.
- Notification of intent to have a vehicle in the caravan must be given to the Chief Referee no later than the time of the drivers' meeting.

LAPPED RIDERS:

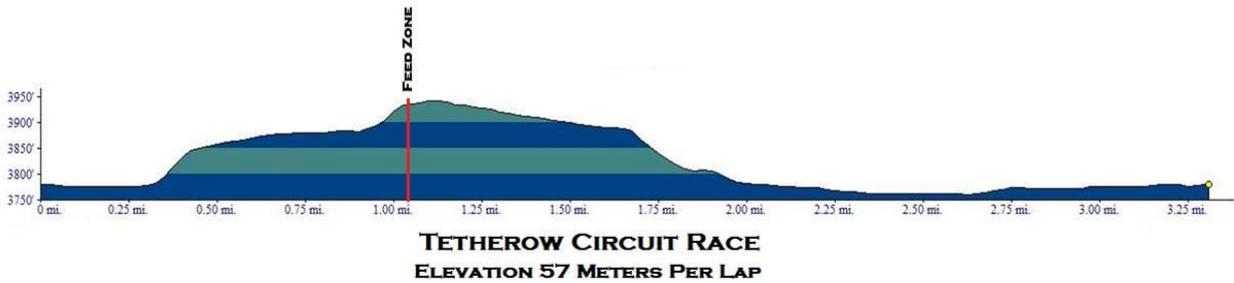

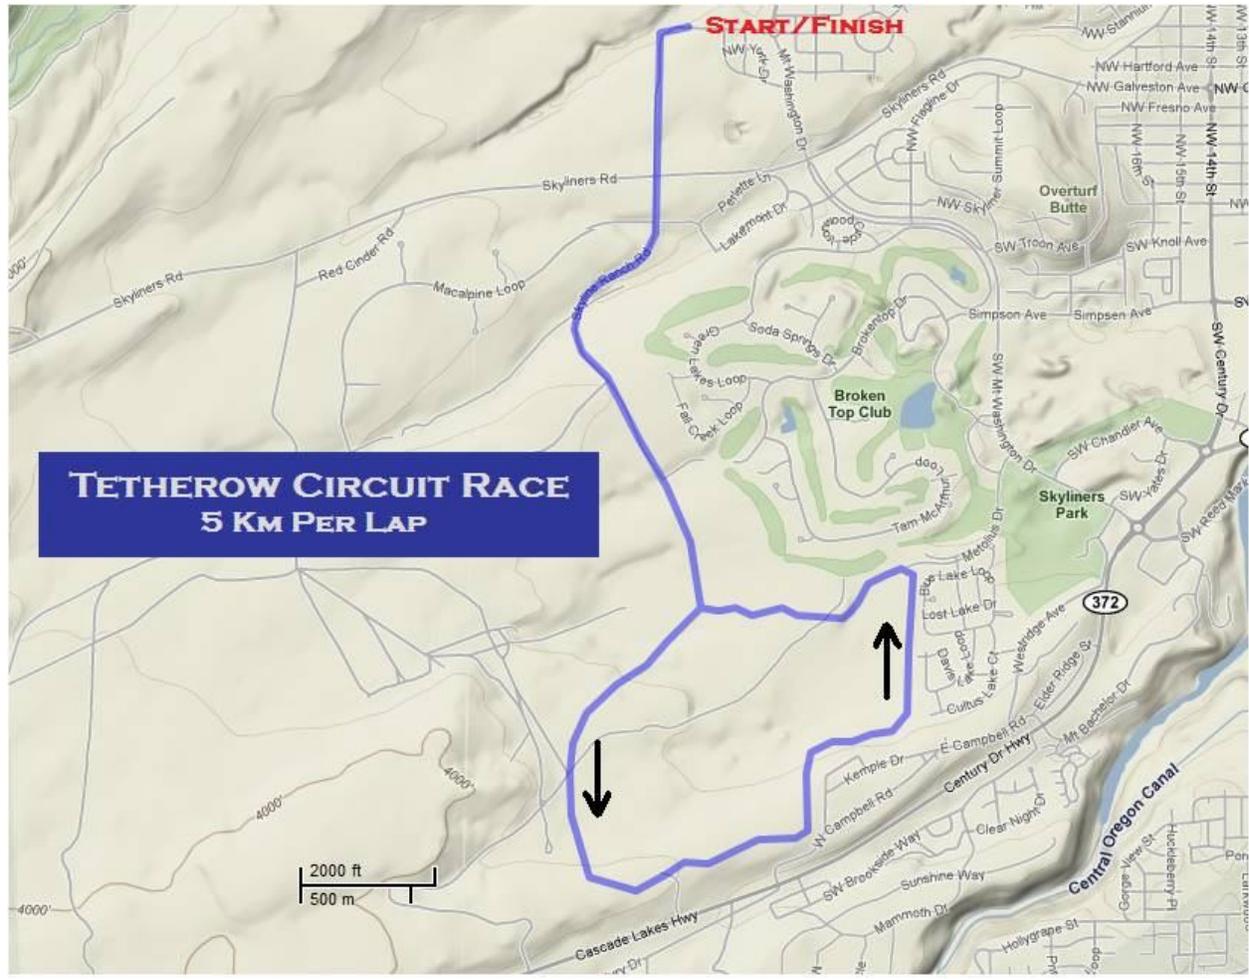

Riders that are lapped by the leaders on the course (whether the same race grouping or otherwise) may be asked to retire. In the Paracycling events, such riders will be placed according to the time/distance they have completed, and may be eligible for medals.

START TIME & BIKE CHECK:

The final starting times for the Time Trial will be posted as soon as possible after the close of registration. A preliminary list of estimated start times for each group will be posted online and at packet pickup. **Final assigned start times** will be posted online and at packet pickup **on June 23 at 6PM**, and will be posted at the time trial bike check/Start area.

- **Juniors 10-16** athletes are to present themselves to the roll-out area at least 10 minutes before their assigned start.
- **Juniors 17-18, U23, Elite, and Paracycling** athletes are to present themselves to the roll-out and bike check area at least 15 minutes before their assigned start.
- The bike jig and guide will be available at packet pick-up as a courtesy to check your own equipment.
- NOTE: Only one morphological exception is permitted (handlebars or seat, not both).
- Bicycles that are removed from the time trial starting corral will have to be checked again before the rider's start. Give yourself time to get your bike checked and possibly to make adjustments or repairs.

- Handcycles must have a protective shield over the chainring and a preventer bar between the rear wheels.

NUMBERS:

Bicycles: One number centered low on the back. Hand cycles: one number on each leg, one number visible from the back and slightly above.

SIGN-IN:

There is **no sign-in** for the Time Trial. Your bike check and start verifies your confirmation to start.

START INTERVALS

Starts will be given on 30-second intervals for most of the categories. An estimated 5 to 10 minute gap will be given between categories, with a longer break around noon.

COURSE DETAILS

After the start turn right before reaching the new elementary school across from the football field. Follow the road left, then right onto Skyliner's. Turn-around points will be marked. See maps.
